Introducing WD10, the ultimate solution for warehouses and retail stores seeking enhanced efficiency. Powered by Android 13, 4GB RAM, and 64GB ROM, WD10 ensures high-speed performance. Its 4-inch screen and 13MP camera provide clear visibility and easy documentation. Bluetooth 5.0 enables seamless connectivity with various devices, while 5 Function Keys offer quick access to essential functions. With its robust design, WD10 excels in any environment, empowering businesses to adapt to the rapid growth of e-commerce. Elevate your efficiency with WD10.

Enhanced Security, Improved Performance

Featuring Android 13, the device is equipped to safeguard against potential vulnerabilities and security threats through the latest security patches. Its fast and efficient operation enables workers to perform tasks and daily activities more efficiently, while the enhanced app execution speed allows for a smarter experience. Experience a better digital working environment with safety, speed, and innovative performance.

Compact yet Fully Functional

Despite its compact size, it packs all essential features: a 4-inch screen, a high-quality 13MP camera, and support for earphones. Lightweight to reduce wrist strain, with an option to connect a keypad for even more convenience and versatility.

Portability and Convenience

Wearing a small computer on the wrist allows workers to maximize portability. Easily accessible and usable on the wrist anytime, enabling swift response in environments where mobility is crucial. Now, there's no need to carry large devices separately, as the comfortable wristwear of WD10 offers a more convenient and efficient working environment.

Execute Various Functions Faster

We've added more function keys compared to competitors. Each key can be programmed as a shortcut for frequently used functions or commands, allowing for faster and more efficient work. For instance, quickly launch specific apps, open or save files, and execute commonly used commands with ease. This enhances productivity and improves user experience.
